### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Scott W. Reid on 7 March 2005.

The application has been amended as follows:

Cancel claims 15-17.

2. The following is an examiner's statement of reasons for allowance: none of the prior art, either singularly or in combination, teach or fairly suggest a computer comprising a main body provided with at least one key operated by a user; a display unit that displays an image in accordance with an operation executed by said main body, wherein the at least one key comprises a top surface having a light accumulator recess formed therein, the shape of the recess being indicative of an operation type of the at least one key; and a light accumulator embedded in the light accumulator recess, as claimed in claim 1, or a method for illuminating a plurality of input keys for use in a location lacking in ambient light, the method comprising forming a light accumulator recess in a top surface of each of the plurality of input keys, the shape of the recess being indicative of an operation type of each of the plurality of input keys; depositing a light accumulating material in each light accumulator recess; charging the light accumulating material in each light accumulator recess by exposing each of the plurality of input keys to an external light source, as required by claim 18.

Art Unit: 2674

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alexander Eisen whose telephone number is (703) 306-2988. The examiner can normally be reached on M-F (9:00-5:00).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Patrick Edouard can be reached on (703) 308-6725. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
